

Simple Energy Solutions

showerhead mail-in rebate

Program Guidelines for Qualifying High-Performance, Energy-Efficient Showerhead

- Must be a residential natural gas water-heating customer of Columbia Gas of Ohio to be eligible for rebate
- Must purchase a qualifying high-performance, energy-efficient showerhead **with a maximum flow rate of 1.8 gallons per minute (gpm) at 80 pounds per square inch (psi)***
- Rebate amount not to exceed purchase price
- Limit three rebates per residential customer account
- Qualifying showerheads purchased from January 1, 2009 through December 31, 2010 are eligible for rebate
- Form must be postmarked by January 31, 2011
- Include a copy of each sales receipt, plus the original UPC code from each package, and mail them with your completed rebate form
- Program subject to change without notice

*A variety of eligible showerhead models are available. You will find the list at ColumbiaGasOhio.com/e-store or call 1-866-542-4767 to have the list mailed to you.

To receive your rebate, you must:

1. Complete the entire form below.
2. Include the original UPC code from each package.
3. Include a copy of each receipt (dated on or between Jan. 1, 2009 – Dec. 31, 2010) with your 1.8 gpm or less showerhead purchase circled.
4. Mail to:
