# thermostat mail-in rebate

## Program Guidelines for Qualifying Programmable Energy-Saving Thermostat

- Must be a residential natural gas-heating customer of Columbia Gas of Ohio to be eligible for rebate
- Must purchase a qualified programmable thermostat
- Rebate amount not to exceed purchase price
- Limit two rebates per residential customer account
- Qualified thermostats purchased from January 1, 2009 through December 31, 2011 are eligible for rebate
- Form must be postmarked by January 31, 2012
- Include a copy of each sales receipt, plus the original UPC code from each package, and mail them with your completed rebate form
- Program subject to change without notice

Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal, visit [www.epa.gov/mercury](http://www.epa.gov/mercury).
